

Dear CCS Families,

Now that 2016 has drawn to a close and CCS looks forward to the Spring semester, the Board of Directors for Clarksville Christian School would like to take this opportunity to thank you for choosing Clarksville Christian School for your children. We continue to see increased growth in the number of students we serve as well as in the bond of the CCS family. We are truly thankful that you have chosen to invest in your children's future by enrolling them at CCS.

We would also like to make a major announcement at this time! After much thought, prayer, discussion and planning, the Board of Directors has decided that the timing is right to expand the leadership of the school. Mrs. Amanda Binkley has done a masterful job at the helm of CCS since she came aboard in 2012. She has been tasked with a nearly impossible job which is, in a nutshell, overseeing everything that happens at CCS on a daily basis! Few people could have done this as well as she has and for her accomplishments, we are eternally grateful. We have known for quite some time that she has been overloaded, and we are now at the point to be able to offer her some help! It is with this in mind that we have begun the search for a President to serve at Clarksville Christian.

First, we would like for everyone to know that Mrs. Binkley will remain in her position as Principal of CCS. She is not going anywhere! The new President's role will be a business leadership-type role, focused on the long-term health and development of Clarksville Christian School- the "Big Picture", if you will. By removing many of the business duties from Mrs. Binkley, it will free her up to focus on what she loves doing-educating! Mrs. Binkley is excited that she will be able to spend more time focusing upon classroom instruction, staff development, student recruitment, and curriculum evaluation. It is our intention that Mrs. Binkley will have more time available to help and assist with the day to day instruction that is happening in every classroom, dedicate her time to overseeing school events, and working with staff to create the best learning environment possible for our students.

We would like to ask you to pray that God will help us to identify the right candidate to lead CCS into the future. We are truly excited about this opportunity and looking forward to the many wonderful things God has in store for Clarksville Christian School.

We pray that everyone had a blessed Christmas Season spending time with their families and we look forward to seeing all of you, our CCS family, in January to begin another great semester!

In Christian Love,

CCS Board of Directors
