

## ACU Scholarship Offers for NCSA Graduates

Abilene Christian University is committed to Christian education and strives to make ACU an affordable option for all of our students. To aid in these efforts, we have decided to change the Christian School Scholarship beginning in the Fall 2020. We are excited to offer the **Christian School Graduate Scholarship** in addition to the **Christian School Faculty/Staff Scholarship**.

Students who graduate from a school in the National Christian School Association are now eligible to apply for the **Christian School Graduate Scholarship**. This scholarship is valued at \$4,000, **\$1,000 per year** for up to 4 years.

We also wanted to inform you of changes to the Christian School Faculty/Staff Scholarship. For the 2020-21 academic year, full-time employees of «School» who have a child enrolled at ACU will be eligible to apply for this scholarship, valued at \$20,000, **\$5,000 per year** for up to 4 years. This scholarship can be awarded in addition to the Christian School Graduate Scholarship.

Additional information, eligibility requirements and applications can be found at **[acu.edu/scholarships](http://acu.edu/scholarships)**. These awards will be applied towards tuition and fees charged under the annual block tuition plan and may be used in addition to other ACU scholarships and grants up to full tuition.
