Dear Dr. Patterson,

Thank you so much for your tireless work with the NCSA and for the many opportunities that you provide for us to partner with you in the important effort of educating students for life. I am happy to confirm Faulkner's continued participation in providing a discount that is available to all graduates of NCSA schools.

The Christian High School Award is available to graduates from high schools which are affiliated with the church of Christ and are members of the National Christian School Association (NCSA). This award is for up to 25% of tuition when coordinated with all federal, state, and other institutional grants.

Faulkner is also proud to provide many other scholarships and grants that may be available to NCSA students, and we encourage them to apply for admission to begin the exploration process. We provide personal assistance as we build each student's financial aid package individually.

Again we thank you for this opportunity and stand ready to assist the NCSA in any way possible.

Sincerely,

Keith Mock
