

Harding University is committed to affordable Christian education and strives to make Harding a financially viable option for all students. As we continue to advance these efforts, Harding is pleased to announce the addition of our National Christian School Association Graduate Scholarship and the amendment to our NCSA Employee Discount, which will begin for Fall 2020 enrollees. We are excited to offer the **NCSA Graduate Scholarship** and to continue the long-standing **NCSA School Employee Discount**.

The **NCSA Graduate Scholarship** is awarded to first-time freshmen who graduate from a school that is a member of the National Christian School Association. The school must be a current member of the NCSA and must serve students through grade 12. The scholarship is \$1,000 per year for four years. The scholarship may be combined with other institutional scholarships but may not exceed full tuition. There is no application required for this scholarship; thus, it will be awarded upon receipt of your final high school transcript from an NCSA school. Students must maintain a 2.5 college GPA to retain the scholarship.

We will continue to offer the **NCSA School Employee Discount** to unmarried dependents of full-time National Christian School Association school employees. The school must be a current member of the NCSA and must serve students through grade 12. One parent must have been employed there full time at least one year prior to receiving the discount. This discount is now 20% (formerly 25%) and may be combined with the NCSA Graduate Scholarship, which is approximately equal to the 25% discount. We have kept the discount as a percentage to provide the most value as tuition costs change. Both may be combined with other scholarships and aid and may not exceed full tuition. Students must maintain a 2.5 college GPA to retain the scholarship.

Additional scholarship information and eligibility requirements can be found at [harding.edu/scholarships](http://harding.edu/scholarships).

Harding is grateful for the tremendous value the NCSA provides to member schools and their students. We are also thankful for the partnership and shared mission we have with each member school. It's our hope that these additional funds will encourage more students to continue their Christian education at Harding.

Sincerely,

Scott Hannigan
